ESGR, a Department of Defense agency, was established in 1972 to promote cooperation and understanding between Reserve Component Service members and their civilian employers and to assist in the resolution of conflicts arising from an employee's military commitment. Volunteers, hailing from small business and industry, government, education and prior military service bring a vast wealth of experience to assist in serving employers, service members and their families.

Haven for Hope is a place of hope and new beginnings for people in Bexar County experiencing homelessness. It is made up of two major programs: the Courtyard and the Transformational Campus. Both are on the Haven for Hope property and require a visit to the Intake Department to get started. The Courtyard is a low-barrier safe sleeping program that offers shelter and basic needs. The Transformational Campus is a center that offers services and shelter with an emphasis toward addressing the root causes of homelessness.
